DEPARTMENT OF HEALTH & HUMAN SERVICES

Office of Inspector General

Washington, D.C. 20201

1007 18 594

Marshall E. Kelley  
Director of Medicaid  
Agency for Health Care  
Administration  
1317 Winewood Boulevard  
Building B, Room 233  
Tallahassee, Florida 32399-0700

Dear Mr. Kelley,

The Office of Inspector General (OIG), at the request of the Health Care Financing Administration (HCFA), is conducting a nationwide review of pharmacy acquisition cost for drugs reimbursed under the Medicaid program. The objective of the review is to develop a nationwide estimate of the difference between the actual acquisition cost of drugs and the average wholesale price. The purpose of this letter is to request your assistance in the performance of this review.

Your State was 1 of 11 States randomly selected for this review. Additionally, we have randomly selected 60 pharmacies in your State from which we will request invoices. The sample selected is comprised of 12 pharmacies from each of 5 categories; (1) urban-independent, (2) urban-chain, (3) rural-independent, (4) rural-chain, and (5) non-traditional pharmacies such as nursing homes, hospitals, home IV, etc.

On August 30-31, 1994, we met with Susan McLeod of your staff, as well as Medicaid pharmacy program representatives from other States in the review, to develop a strategy for accomplishing this review. At the meeting, we drafted a standard letter to be sent to the pharmacies detailing our request for information. Your State has already provided a listing of the Medicaid pharmacy providers from which the sample of pharmacies was selected. Additionally, we are planning another meeting, in which we would like your staff's participation, after the review is completed to discuss the presentation of the results.

We are asking that you assist us in sending letters to the selected pharmacies in your State. As we discussed at our conference in August, we prefer that the letters be sent on your State letterhead. We have enclosed a copy of the standard letter (Enclosure A), the names and addresses of the selected pharmacies (Enclosure B), a Pharmacy Information Form (Enclosure C), and return envelopes for use by the pharmacies. An electronic copy of the letter and the pharmacy addresses in wordperfect format is also included.

(State Agency Letterhead)

Dear Pharmacy Provider:

At the request of the Health Care Financing Administration (HCFA), Florida is participating with the Office of Inspector General (OIG) in conducting a nationwide review of drug acquisition costs of Medicaid pharmacy providers. Florida is 1 of 11 States selected as part of the review.

Your pharmacy is 1 of 60 pharmacies randomly selected from Florida to participate in this review. The sample selection reflects different categories of pharmacies including rural, urban, chain, independent, and others.

In order to ensure the validity of this study, the OIG requires that you provide the following information:

- o A copy of the largest invoice for (Insert Month) of 1994 from each source of supply. The largest invoice is defined as the invoice with the largest number of legend drug line items. Sources of supply include wholesalers, chain warehouse distribution centers, generic distributors, and direct manufacturer purchases.
- o A copy of the billing statement for the corresponding invoice from each source of supply.
- o A completed information form (enclosed).

Please be assured that the information you provide will be kept confidential and will be strictly used for the purposes of this review. As part of the OIG's quality assurance program, your information may be subject to an on-site review.

The completed information should be returned to the OIG in the enclosed pre-addressed stamped envelope no later than 15 days from the date of this letter. We appreciate your cooperation in this matter. Should you have any questions regarding our request, please contact William Shrigley or Paul Chesser of the OIG at 1-800-527-8323.

Sincerely,

(State Agency Official)
